

KAPTIVE STRAP™ by KINEDYNE®

Cargo Securement Solution for Curtainside Vehicles

KINEDYNE®
OPTIMIZE SAFETY

Why Upgrade to Kaptive Strap?

- **Built-in System** - easily slide straps over your load spending less time securing cargo
- **Reduces Injury Risk** - no need to climb in/on the trailer or throw straps
- **Increase Overall Savings** - spend less money on workers compensation, replacements costs, and downtime

Kinedyne Kaptive Strap Curtainside Solution helps truckers stay safe when securing cargo, and will reduce tie-down time up to 45%. This built-in sliding strap system is the safest, most effective, and easiest way to secure cargo in a curtainside vehicle.
